RE: Status of Proposed Revisions to ch. HFS 117, (CR-03-111) relating to fees for copies of health care records.

On February 10, 2005, the Senate Committee on Health, Children, Families, Aging and Long Term Care, requested the following modifications to the proposed revisions to ch. HFS 117:

**Modifications to CR 03-111**

1. For individuals and their personal representatives who make the request for record copies, a record supplier may charge no more than:
  - \$1.00 per page for pages 1-20;
  - \$0.75 per page for pages 21-50;
  - \$0.50 per page for pages 51-100;
  - \$0.25 per page for pages 101 and above.
2. For all others making a request for records, the record supplier may charge no more than a \$15.00 retrieval fee per request in addition to:
  - \$1.00 per page for pages 1-20;
  - \$0.75 per page for pages 21-50;
  - \$0.50 per page for pages 51-100;
  - \$0.25 per page for pages 101 and above.
3. Eliminate the separate certification fee.
4. Adjust the charges annually to reflect the Consumer Price Index.

The existing rule that is located on the Revisor of Statutes Bureau website at: <http://www.legis.state.wi.us/rsb/code/hfs/hfs117.pdf> is still in effect.
